MADACC list(s).

d) Some of the collection had been “allegedly” microchipped – not all had
positive ID's. Appraiser was unable to verify either way.

12) Intended use of said animal(s) / specie(s) appraised / valued:
Refer to #: “10” above.

FORENSIC ANIMAL / REPTILE (ETC.)
APPRAISAL / VALUATION REPORT (continued)

13) Breeding:

Refer to Addendum II – Loss of Income from Offspring / Progeny from various Animal(s) / Reptile(s) / (etc.)

14) Risk factor of use of Animal(s) / Reptile(s) / (etc.) as indicated herein:

Minimal to moderate;

15) Definition of appraised / fair market value: (FMV)

The most probable price which the scheduled animal(s) / reptile(s) / (etc.) identified should bring in a competitive open market situation, assuming the probable purchase price is / was not affected by a hypothetical buyer undue stimulus and/or influence implicit in the definition is the consummation of a sale as of a specified date and the passing of the ownership and / or current registration from seller to buyer under conditions whereby:

a) buyer and seller are / were typically motivated at time of sale; both parties are well informed &/or well advised, of any and all known (medical) facts of all said animal(s) / reptile(s) / (etc.) for sale and each party is / was acting in what he / she considers his/ her own best interest;

b) Both parties are well informed &/or well advised, of any and all known (medical) facts of all said animal(s) / reptile(s) / (etc.) for sale and each party is/was acting in what he /she considers his/her own best interest.

c) a reasonable time is allowed for exposure of the said animal(s) / reptile(s) / (etc.) in the open competitive marketplace;

d) both buyer & seller have proper knowledge / authorization &/or all applicable Federal, State, &/or Local licenses &/or permits to own, house, board &/or maintain said specie(s) / Animal(s) / Reptile(s) / (etc.) in their Care, Custody, &/or Control;

FORENSIC ANIMAL / REPTILE (ETC.)
APPRAISAL / VALUATION REPORT (continued)

- e) payment is made in terms of cash in US \$ / dollars or in terms of financial arrangements comparable thereto and is considered a full arms length transaction;
 - f) the price / estimated fair market value represents the normal consideration for the animal(s) / reptile(s) / (etc.) to be sold unaffected by any special &/or creative financing &/or sales concessions granted by anyone associated with the sale &/or transfer;
 - g) full disclosure of any and all known prior medical conditions &/or medical / veterinarian history / records is/are disclosed in full to the proposed buyer(s), including copy of any and all prior X-rays taken; including full breeding records of all Animal(s) / Reptile(s) / (etc.).
 - h) Hypothetical buyer has no known unique characteristics.
 - i) Hypothetical buyer is logical with no ego drive affecting his or her offer.
-
- 16) Special limited conditions(s) &/or assumption(s);
-
- a) Kalmanson assumes the title / ownership of the various scheduled animal(s) / reptile(s) / (etc.) would have been in good and marketable at the time of the valuation.
 - b) Assumption: Plaintiff would have possession of any and all necessary and applicable "local, county, state & federal" license(s) &/or permit(s) at time of this appraisal / valuation;
 - c) Kalmanson will not render any opinions about the title &/or ownership &/or registrations of such animal(s) / reptile(s) / (etc.) valued;
 - d) Kalmanson will be happy to give any oral &/or written testimony &/or appear in any court hearing & /or trial to testify as an expert witness on these animal(s) / reptile(s) / (etc.) appraisal / valuations as rendered;
-

FORENSIC ANIMAL / REPTILE (ETC.)
APPRAISAL / VALUATION REPORT (continued)

e) Kalmanson obtained the information that was expressed in this animal(s) / reptile(s) / (etc.) appraisal / valuation report from sources that he considers to be reliable and believes them to be true and correct;

f) Kalmanson does not and will not assume any responsibility &/or liability for the accuracy of any item(s) that were furnished by any other (third) party / staff member;

g) Fair market value assumes that all the animal(s) / reptile(s) / (etc.) scheduled specie(s) can pass a current pre-purchase examination (if required) including X-rays by a competent / licensed veterinarian (IE: of the buyers choice) within ten (10) days of the proposed sale date, if applicable:

h) Any emotional / sentimental value not taken into consideration whatsoever;

i) Kalmanson assumes that there are / were no loans on &/or liens against the said Animal(s) / Reptile(s) / (etc.) by any party unless other wise noted (none noted at time of inspection);

j) Kalmanson assumes that the said animal(s) / reptile(s) / (etc.) is / are not be offered for any salvage value & / or research purposes whatsoever unless otherwise noted;

k) Cost of any past, current &/or future feed / boarding / veterinarian / prescription &/or transportation charges / bills / fees is/are not taken into consideration of the fair market value (if applicable);

l) Cost of any special equipment &/or any real property &/or freight charges &/or crating expenses is not taken into considered of the fair market value of these Animal(s) / Reptile(s) / (etc.) specie(s) unless otherwise stated herein &/or hereto.

m) Any commission(s) / brokerage &/or any referral fee(s) is/are not taken into consideration of the fair market value:

FORENSIC ANIMAL / REPTILE (ETC.)

APPRAISAL / VALUATION REPORT (continued)

n) Depreciation (if any) is not taken into consideration of the fair market value;

o) Cost of any pre-purchase veterinarian examinations &/or any X-rays is/are not taken into consideration (if applicable);

p) Vitamins & /or any food / diet / supplements given / provided to animal(s) / reptile(s) / (etc.) is / are not taken into consideration;

q) Mortality Insurance information (if any) on any of the scheduled Animal(s) / Reptile(s) / (etc.) at time of the survey is /are /were not available.

17) Appraiser's / Expert Witness' Qualification(s):

a) Copy of Kalmanson's Agency Brochure Attached

b) Copy of Kalmanson's C.V. Attached (old - not updated)

c) Additional testimony / affidavit available upon request

18) Picture(s) of Subject Animal(s) Attached / Included: (XX) YES or () NO

19) The original purchase / acquisition price / value is:

1) ALLIGATORS	unknown / not provided
2) AMPHIBIANS	unknown / not provided
3) CROCODILIANS	unknown / not provided
4) LIZARDS	unknown / not provided
5) RATS	unknown / not provided
6) SNAKES – ANACONDA	unknown / not provided
7) SNAKES – MISCELLANEOUS	unknown / not provided
8) SNAKES – COMMON	unknown / not provided
9) SNAKES – PYTHON	unknown / not provided
10) SPIDERS	unknown / not provided
11) TORTOISE	unknown / not provided
12) TURTLE	unknown / not provided

20) Footnote(s):

FORENSIC ANIMAL / REPTILE (ETC.)
APPRAISAL / VALUATION REPORT (continued)

4) USDA / APHIS license(s) not required for reptiles.

5) The Gambian Giant Pouched Rats were all over the age of 14 years at time of confiscation. This was double the world record for longevity of the species. These Gambian Giant Pouched Rats were being used for geriatric studies as well as longevity studies.

6) Lacey Act / U.S. Fish & Wildlife Services:

Under the Lacey Act it is unlawful to import, export, sell, acquire or purchase fish, wildlife or plants that are taken, possessed, transported, or sold:

- a) in violation of U.S. or Indian law, (or any foreign law)
 - b) first federal law protecting wildlife. It in forces civil and criminal penalties for the illegal trade of animals and plants.
 - c) it regulates the import of any species protected by international or domestic law and prevents the spread of invasive, or non-native, species.
-

21) Total Estimated Fair Market Value Provided:

a) Based on:

- 1) Information as stated herein
 - 2) Kalmanson's expertise and knowledge in this field.
-

b) The opinion of the Appraiser / Expert witness (Kalmanson) is:

- 1) Kalmanson has requested to opine on the Fair Market Value.
- 2) Estimated Fair Market Value(s) {range} for the various scheduled Animal(s) / Reptile(s) / (etc.) is / are:

FORENSIC ANIMAL / REPTILE (ETC.)
APPRAISAL / VALUATION REPORT (continued)

Refer to addendums: "I", " II", "III"

22) The conclusions expressed herein are based on my analysis of the information obtained &/or reviewed, together with my personal judgment, market research and my professional opinion.

23) I certify that:

a. I have no undisclosed past, present or future interests in any of the parties; except as noted herein.

b. I have no personal interest or bias with respects to any of the parties involved;

c. My fee for this assignment was based on a flat rate and does not depend on any value conclusions &/or any other outcome;

d. To the best of my knowledge this Forensic Animal(s) / Reptile(s) / (etc.) Valuation Report is true and correct and the opinions expressed herein are based on full and fair consideration of all of the information available &/or provided to Kalmanson.

e. It is offered with no contingent or limiting conditions except those as stated herein and is the personal, professional analysis, opinion (s) and conclusion(s) of Kalmanson based on the research and information available and / or provided to Kalmanson at time of inspection;

24) No portion of this report may be used for any other reason other than stated which is to determine and opine on the Fair Market Value of the scheduled animal(s) / reptile(s) / (etc.)

25) Fair Market Value of Offspring / Progeny

Based on proposed breeding of various scheduled Animal(s) / Reptile(s) / (etc.) over the last nine (9) years.

26) Remarks:

a) Declaration: Lester Kalmanson Agency, Inc. currently provides liability coverage for The Dragonwood Conservancy (Florida location).

FORENSIC ANIMAL / REPTILE (ETC.)
APPRAISAL / VALUATION REPORT (continued)

b) Report includes proposed loss of income based on Addendum III.

27)

END OF REPORT
